

Gecko Legacy Society

GateWay Community College has built a legacy of innovation, pioneering vision and responsiveness to the needs of our community: the first technical college in Arizona; first to use community advisory committees; first to tailor courses to the needs of business and industry; first to offer classes at off-campus locations; even the first to install a computer. From a humble beginning in the former Korrick's Department Store downtown, Maricopa Technical College has flourished for 50 years into today's GateWay.

“Wealth isn't always measured in dollar signs. We each have time talent and creativity, all of which can be powerful forces for positive change. Share your blessings in whatever form they come and whatever level you have been blessed.”

—Jon M. Huntsman

The Gecko Legacy Society provides an opportunity to join others like you who are out to make a difference in our community through enhanced education while impacting lives.

To be a Gecko Legacy Society member, we ask that you remember us when you are making your legacy plans or make a planned gift. It is easy to designate a percentage of your estate in your Will or Trust, and

planned giving can provide smart tax advantages for your gifts of stock, IRA assets, real estate, or other assets. You can create a real Impact for the students we serve and create your own legacy to be remembered for generations.

Membership benefits of the GECKO LEGACY SOCIETY include:

- Annual college update, reception and tour with the president at one of the campus locations.
- Opportunity for others to contribute to your established fund.
- A pair of tickets and VIP seating at our annual Runway to Success fundraising event.
