This is a listing of the International Credential Evaluation Agencies commonly used across the state of Arizona and by the Maricopa County Community College District (MCCCD). The MCCCD does not recommend any one agency over another. If it is the student's intent to transfer to any of the state universities/colleges after completing course work with any of the Maricopa County Community Colleges, we strongly recommend speaking with the university/college regarding the use of any or all agencies. The MCCCD will not be held responsible for the transferability of the evaluations conducted by any or all agencies listed above.

Professional evaluations must be done for the purpose of Education and Course-by-Course. Official academic records in the native language along with the certified English translations are also required.
