## Your Journey Starts Today!

Dear Future Student,

Welcome to GateWay Community College! We are thrilled that you've chosen to pursue your educational journey with us, and we are here to support you every step of the way.

Congratulations! You are taking the first step to applying for the Hairstylist program. Our school provides hands-on training designed to prepare you for success in today's beauty industry. As a Hairstylist, you will offer a range of beauty services, including shampooing, conditioning, cutting, coloring, perming, and styling hair. You'll also braid, press, curl, relax hair, and create unique hairstyles to suit each client's needs. If you enjoy working with people and are seeking a career that opens opportunities in day spas, resorts, salons, and even cruise ships, then Hairstyling is the perfect path for you!

Our accredited program takes approximately 10 months to complete, depending on the specific schedule and program. Upon graduation, you'll earn a **Certificate of Competency (CCT)** in Hairstyling. To practice as a licensed Hairstylist, you'll need to pass the **Arizona State Board of Cosmetology** exam, which consists of two written tests. For more information on career opportunities and salaries in hairstyling, please visit [onetonline.org](http://onetonline.org).

Thank you for your interest in GateWay's Hairstylist program. We are excited to be part of your journey, and we look forward to celebrating your graduation!

Sincerely,

The Beauty and Wellness Team

## PROGRAM OVERVIEW

## Clock Hour Trade & Technical Training

GateWay Community College offers specialized clock-hour trade and technical programs designed to prepare students for careers through focused, hands-on learning. Unlike traditional credit-hour programs, clock-hour programs measure progress based on the number of hours and weeks of instructional time completed, providing a direct path to certification. These programs emphasize practical training, allowing students to develop industry-specific skills from experienced professionals. In as little as six months, students can earn certifications in fields such as healthcare, cosmetology, construction, and advanced manufacturing.

With expert instructors and state-of-the-art facilities, GateWay ensures students gain the real-world experience needed to succeed. Whether your goal is to save lives, design new styles, reduce stress, construct shelters, or machine future technologies, GateWay's programs are tailored to provide the essential skills for career success. Located in the Phoenix metropolitan area, GateWay has been serving the community since 1968, committed to innovation and excellence in education.

## Hairstylist

If you're looking for a creative career or business opportunity where you can work with people and have flexibility in your schedule, consider the GateWay Community College Hairstyling program. Today's hairstylists do much more than a simple wash, cut, and dry. Our program teaches proper cutting, coloring, and styling techniques, as well as braiding, pressing curls, relaxing hair, and practicing proper sanitation and infection control.

In addition to hairstyling, you'll learn essential skills for building and maintaining a clientele, understanding laws related to hairstyling, and managing a successful salon. By graduation, you'll be ready to take the [Arizona State Board of Barbering and Cosmetology](#) Hairstyling licensing exam.

Whether you dream of freelancing, working in a salon, or owning your own, GateWay can help you turn hairstyling into a long-term career or business venture. You'll practice your skills on classmates and real clients under instructor supervision, with feedback to ensure you provide quality service. The school operates a public salon and holds clinics regularly.

Completing the required hours with a score of 80% or higher makes you eligible to apply for graduation and receive a certificate of competency, though it does not guarantee a Hairstylist License in any state.
